To,
The Principal.
Subject- Invitation for the ACA_6th International Design Competition – 2019-20

Aditya college of Architecture (ACA), was established in 2013. Since its inception, the college has continuously been working towards a vision to take architectural education ahead of traditional curriculum and achieving higher goals in grooming better professionals every year. The college is affiliated to University of Mumbai.

The primary objective of the school is to create ‘global practices with local concerns’ that achieve excellence in architectural design, practice and professional life which not only needs the skillful creation of Architectural Spaces and pleasing aesthetics but also take inspirations from an in-depth bank of technical knowledge and practical know-how.

ACA has been organizing the International Design Competition annually for past six years from its inception-2013 to establish connections among the global architectural student community and academia, to create reference points much beyond its immediate context and have a meaningful and progressively enriching dialogue on architecture by breaking regional and contextual boundaries that we create for ourselves. ACA is organizing the 6th edition of its International Design Competition in 2019.

In 2017, the competition was made open to 17 ARCASIAN nations. The design brief was titled ‘Inhabiting Nature’ and invited architectural interpretations to set in varied contextual settings of Asian countries. We received over 100 design entries from 19 countries including India that were judged by an eminent panel of jury members.

For the upcoming ‘2019 Competition’ we bring to you the competition brief, ‘ARCHITECTURE OF INHERITENCE’; an attempt to investigate the various possible outcomes through which inheritance can perform as a catalyst while creating a design that respects both past and present.

We have invited eminent Architects and Professionals who have contributed to the field of architectural education and are achievers in their professional work, as jurors for the competition.

We would like to take this opportunity to invite your esteemed University/Institute to participate in the competition and would be glad to receive a positive response about your participation so that together we can give our students and young graduates a platform to hone their design skills with a pragmatic approach. A hardcopy of the ACA IDC poster is attached herewith for your perusal & for displaying purpose in your campus. The registrations open on 14th August 2019, the last date for registration is 30th November 2019 and the last date for submission of entry is 10th December 2019. It would be an honor to have participation from your esteemed institution. You can also find all the relevant information regarding the event, eligibility & accolades on the following website: - http://adityacampus.org/idc/
For any queries, kindly contact: +91-9833-300-496 & +91-22-611-06-135
We look forward to your involvement & thank you for your time and patience.

With Warm regards,

AR. RITA NAYAK
(PRINCIPAL)
